Linda You,

Linda Tasano

To a good friend
who is my buddy. Remember
all the fun times. That great
river party. (It was just our
big party was a crazy night.
Especially when Stegner + Strapper
rolled over that truck with that
sped in the back. Never forget
our "mean" night. I was really
mad and I don't know why. Well,
summer is here and I'm ready
to have a great one + you better be
ready to. AFA Nancy "83"

Linda,

To a really nice girl I've
been friends with since grade
school. Never forget all of the
wild business classes (especially
the fun ones with Acciani)
It's been a boring year, but
next year is going to be
great. We'll all have SENIORITIS
and it will be a blast!! Take
care and good luck in every-
thing you do.

Love
Debbie

Linda,

To a very special friend who al-
ways listens to my problems. Don't
forget all our consumers, typing,
and business math classes. Don't
forget our little talks and all the
times you covered for me when I
skipped. (Love you alot!) Thanks for
putting up with all my shit, and for
being a good listener.

Linda,
To a very nice girl I've known
for a few years. Remember
all the times last year in
History and all the times
this year in English; don't
ever forget those speeches
that were "tiring" and all
those big tests. Well,
"Good Luck" in the future
And I hope to be in some
of your classes next year.

to know this year
through Mon. Remember
all those fun practices
when we couldn't wait
to get out of there. Well
hopefully we each make
it this year and have
fun together. Love,
Jesse

Linda,

To a really nice girl I've known for a long time. Never forget all our fun gym classes even though I never took it. Also, remember all the fun business classes we had. Thanks for all the gym I borrowed all of you also. Also, thanks for always listening about all my problems about Debbie, Greg, etc. Good luck in the future & in everything you do.

Take Care,

Love,

Linda,

Hey! Remember gym with your favorite teacher Mrs. Vign - you're a teacher's pet. Not getting into trouble for writing on your locker, Dairy Queen, cheerleading practices and football seasons, all our nice talks and other fun times we had together. I hope we will be friends always!

Love,
Luz

Linda,

To a really good friend for who knows how long. Remember all of our fun weekends: going up the field, riding around, telling Mrs. Ovaries off, (that was the best one) going down to Kelly's Station and of course going to K. mark with Nancy. Never forget when we skipped and went shopping. There's so much more and a lot more to come! I hope to see you this summer.

(only kidding, I know I'll see you this summer)

Love
Janice

CELEBRATE GOOD TIMES

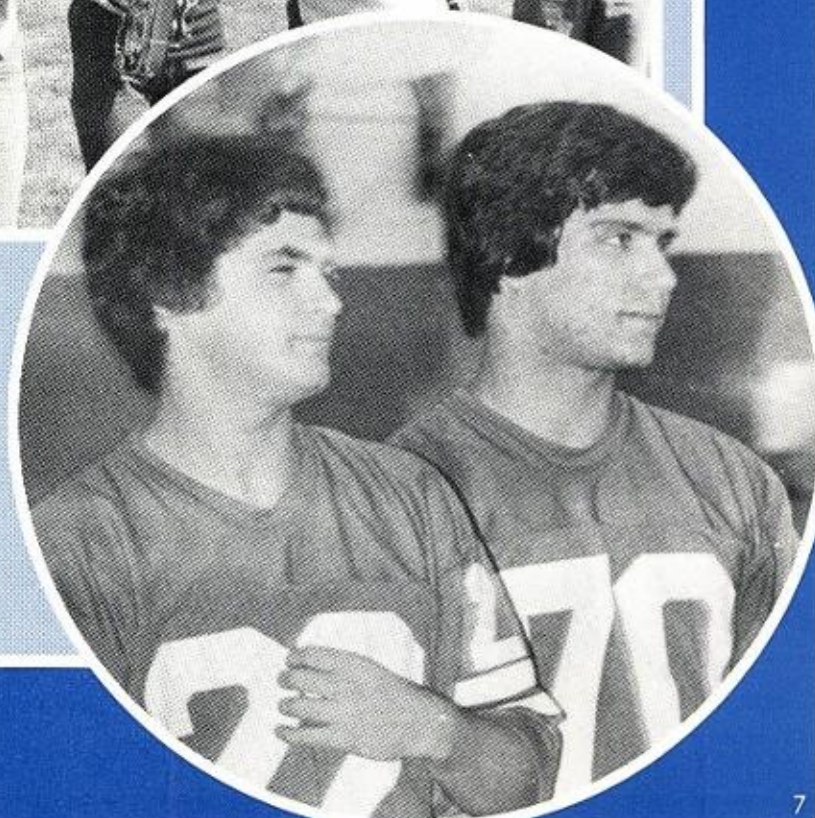

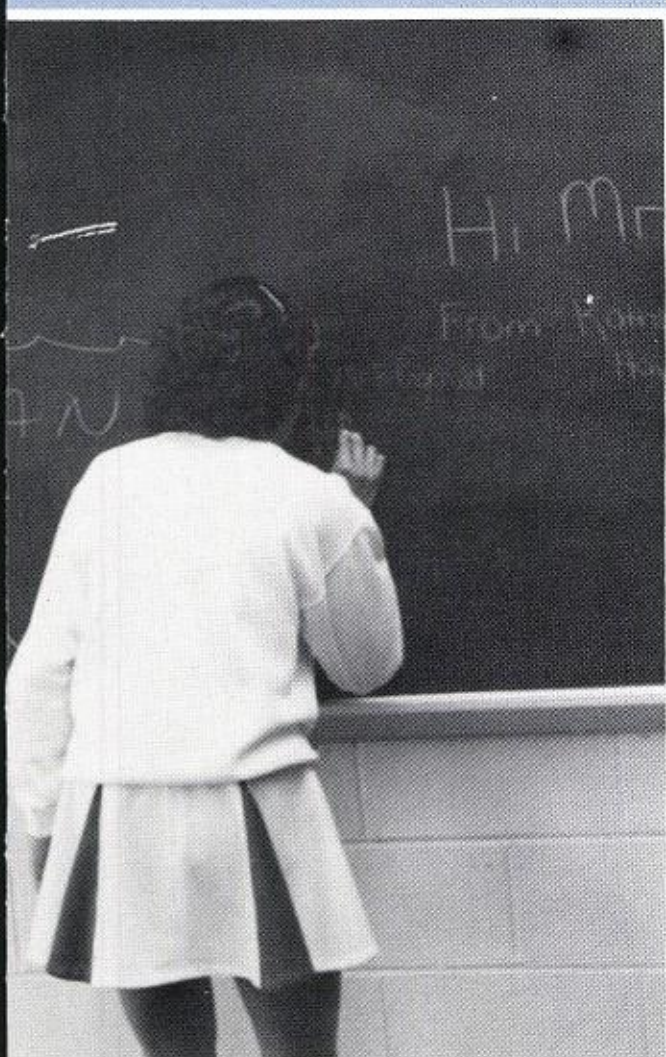

As we look back upon our high school years, we will always recall the good times that we had reason for celebration. We'll look upon the day of Graduation as the day we said good-bye to our high school years and toward the years of our underclassmen, a new generation. We thank our teachers for all their time spent adding to our education. We will remember the years of our mighty Blue Devils with all of their determination, reminiscing the times participating in the activities of various organizations, and finally remembering our strive for perfection; this is definitely a year for Celebration!

Linda,

To one of the nicest, most-understanding, and easy-to-talk-to "woman." Remember the 5th period study halls this year with "Borey" and lunch time discussions about how we can't wait for school to end (it's almost here!).

Class of

and remember Pam's party at her sister's house in Vandergrift and trying to find it, and the cars at Terrante's and what we wrote on the wind-shields, going to McDonald's in Lower Burrell

afterwards and not getting home until after 12:00, our name for certain people, "The Untouchables," and us, REAL PEOPLE, and their motto "Don't touch me!" Remember, too, Lori's dean and the flowers for our hair and all that food!!! Thanks for always being there to talk to. I'm really glad that I know I can trust you. August 2, and once more the Blue Devils start preparing for another season. With a new year comes running, passing, tackling and all of the other "fun" things that go along with being a dedicated Devil. Would all of those grueling work outs be worth it? Only time and dedication would prove how the Devils would fare.

On September 4, the 1981 season started with Shadyside Academy as the first contender. Admited dense fog, Coach Cignetti led his team to a 23-0 victory over the opposing Indians. Mars was the next team to visit Veterans Field but the Planets left town disappointed with a 20-7 loss against the Mighty Blue. After a 28-6 victory over Ford City, winning was becoming a habit for the Devils. After Apollo-Ridge and Richland were upset by Leechburg, many people were looking to a flawless record for the Devils. However, a trip to Avonworth on October 10 proved unsuccessful-the Antelopes handed the Devils their first loss of the season. But win or lose, they were still number one in the hearts of the fans of Leechburg. The Devils then traveled to Springdale. The Leechburg crowd was not disappointed as they watched the visiting team play a fine game and come out ahead, 47-7. October 23 and Jeannette-*THE* game-would decide the number one team. It was a tension-filled week for Leechburg. Who would leave the field as victors-the Devils or the Jayhawks? In less than two hours a 16-6 score answered that question; unfortunately, it was not the Devils. The next week Deer Lakes came to town. The seniors were determined to make this a memorable game, as it was their last at Veterans Field. With a final score of 26-6, the Devils played an excellent game and through a few tears saw their last victory of the season. Freeport, the final contender, was the deciding game-which team would clinch the second play-off spot? This time Leechburg came up short, 28-6.

As it is said, "All good things must come to an end." With a 7-3 record, "little Leechburg" made it quite clear that they're not so "little" when it comes to football. Both team and coaches put forth a fine effort this year, and although the record isn't perfect, the Devils are definitely *WINNERS!*

Along with gaining experience for later years, they learn
to have fun with fellow teammates. Look for these guys
on the field in a few years.

HOMECOMING COURT

LAURIE

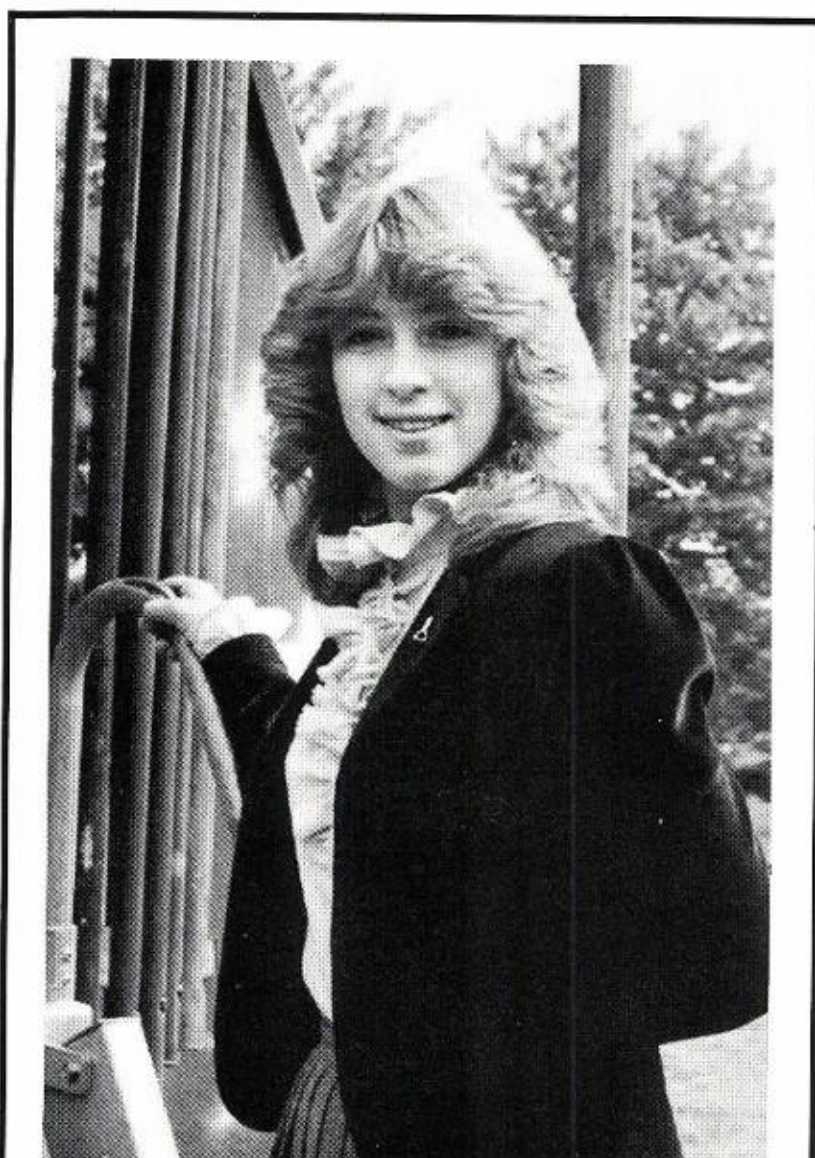

An annual event at L.A.H.S., since 1969 has been Homecoming. Many graduates return to honor their Alma Mater and reminisce about the good times in high school. Homecoming is also an anticipated event for the present student body.

This year's Senior Class nominated six girls for the 1982 Homecoming Court. They were Laurie Bloch, Dottie Bond, Kim Cibik, Paula Crawford, Mary Hebrank, and Andrea Pastva. Each of these girls possess the qualities of friendliness, interest and concern in their studies as well as activities, and pride in their school and community.

From this group, one girl is chosen outstanding, and holds the title of Queen. After an assembly in which the candidates gave speeches to the entire school, the Sr. High students voted for the girl of their choice.

LEFT TO RIGHT: Joe Troya, Andrea Pastva, Andrew Nigra, Dottie Bond, Jeff Oberdorf, Kim Cibik, Laurie Bloch, Mark Simon, Mary Hebrank, Scott Hughes, Paula Crawford, and Curt Eshelman.

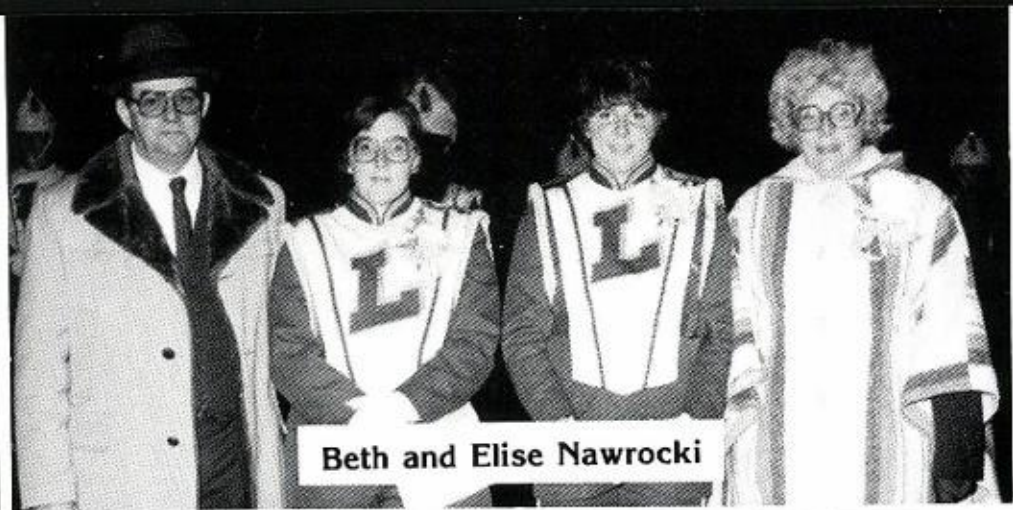

Excited Crowds, anxiously awaiting Homecoming ceremonies, were dazzled by the smiles of the six candidates. The long-awaited moment finally arrived when the announcement was made . . . "The 1982 Homecoming Queen is Andrea Pastva!" Even though the weather provided unfavorable conditions for the ceremony, the impressive football win most definitely topped off the evening. Congratulations, Andrea!

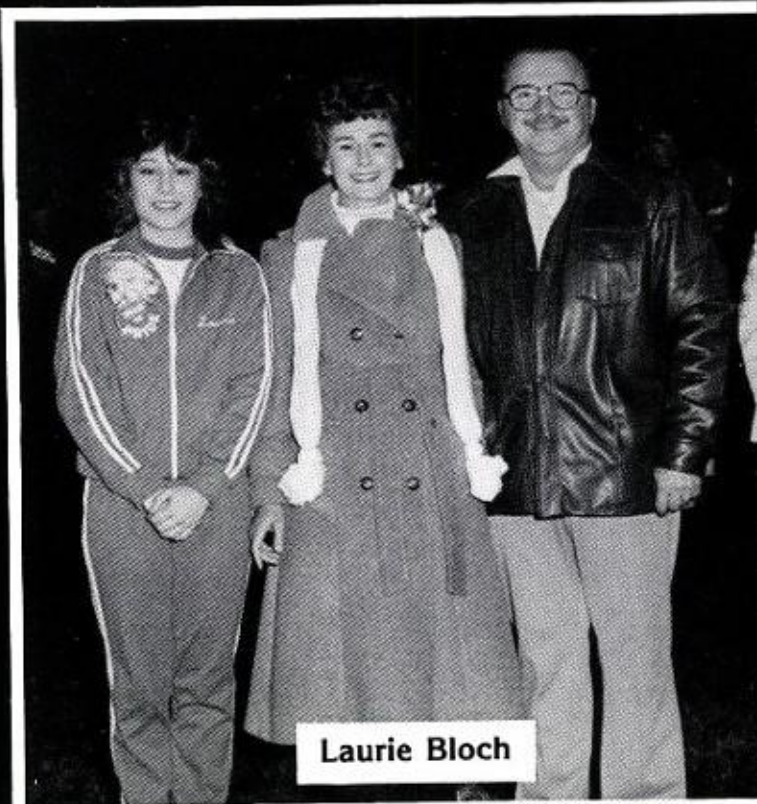

To be chosen as the 1982 Homecoming Queen was an honor that I shall always cherish. When I heard my name being announced, it was one of the greatest feelings I could imagine. That night and the memories that came with it, were one of the most unforgettable moments in my life. I am very proud to be chosen as the 1982 Homecoming Queen. I would like to thank all the Senior High students who voted for me and made that night so memorable.

At the last home football game of the season, the senior members of the football team, marching band, and cheerleading squad were recognized. Parents were escorted onto the field where the seniors gave their mothers flowers and a kiss, and shook hands with each of their fathers. Many seniors will remember this special night since it was the very last home game for the class of '82.

The students in Leechburg, under the leadership of Miss Hritz, study the language of Russian. Sometimes the class may be intense, but it is fun. Every year the students travel to Buhl Planetarium for the Foreign Language Festival, where they put to use what they learned in class. Being a member of the Russian Club is a learning experience.

JR. AND SR. ART CLUB

This year the Art Club has completed many fine projects under the instruction of Mrs. Yajko. Each year they are responsible for the many Christmas decorations and crafts throughout the school: windows in the cafeteria, the tree in the lobby, and the display cabinets. Many other projects including hook rugs, paintings, and string arts have been completed. The creativity of these students certainly adds to the out look of the school.

This Year's Drama Club got off to a good start with the profits from last year's play and also from the successful candy sale. Plans for a production of "Get Smart" are underway for 1982. The Drama Club is an organization made up of energetic and ambitious students who devote much of their time in presenting an annual play. This final product is a result of the many efforts of the actors, actresses, and numerous crews which aid in the production. All are indebted to Mr. Mark Nigro for his assistance and helpful advice during the course of the play. With his support, the Drama Club continues to present exceptional and praiseworthy productions every year.

We, the graduating class of 1982 would like to dedicate our yearbook to Mrs. Zargo and Mrs. Walker. We appreciate all the help they have given us throughout the years in helping put together several excellent yearbooks.

Special thanks to the many teachers that have helped us with our past yearbooks and especially to these two ladies for being our friends as well as advisors.

Today we'll start a new life
and we'll say our last good-bye
to all the friends we've grown to
love.
With whom we've laughed and cried.

Remembering the fun and the
laughter, the
problems and the fears, and watching
all
our memories grow throughout our
high school years.

The memories of dances,
the new friends we met,
vacations, teachers, talking
and exams we'd rather forget.

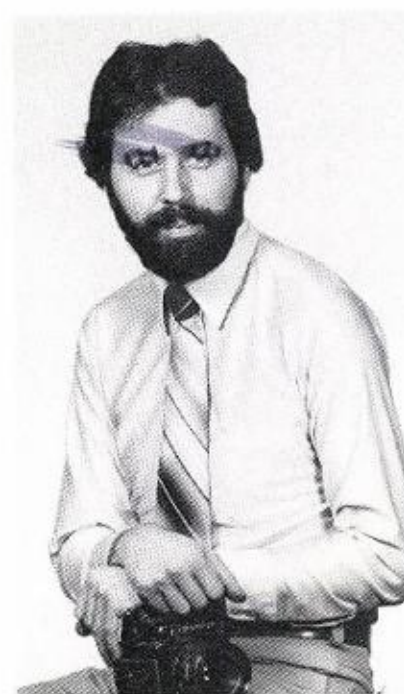

Yes, high school days are precious
but brief, where all your dreams
come true; it is not the end, but
the beginning of a life we'll start
a new.

Linda,

May 13, 1901

To a very, good and best friend. O, Linda we have so many great times that we've had. We really do have a lot of great times. Now haven't we? Well yes we have nothing but the best of times. Haven't we? Yes we have.

Remember our bike rides, the movies last year, when we all went to Mickey D's. Remember our hours of talk about sex. A yah! Yah, we sure have had fun together. When we eat everytime we're together.

Now don't forget Pat Kiebler, what a man, OOO Ma, ma, isn't he so cute. what a man. So skinny, cute and what a personality. Don't forget walking down in the mornings and walking home. I'm sorry that I hadn't gone anywhere with you and them for awhile. You'll be invited to my wedding. And you'll be in it, partners with Pat oolala! Who's knows maybe you guys can get married too! Ha, Ha, just kidding! I am only kidding. Remember that night you drove me up to Russ and I surprised him, sort of surprised him. Well, thank you for that very much. Your so kind! (WELL MA, MA)

Linda,

To a super-nice girl. You're the most polite person I know. You really have a lot of class!

Remember Business class & Mrs. Zargo & our cheat-sheets that we shared. Good luck with your 6 kids, white house & loving husband. I hope I see you over the summer.

Take Care

To my sweetheart
With the sensitive heart
Don't forget our interesting
7th period study hall. And
you accusing my poor soul of
getting to fresh. I just half to
say I wasn't getting fresh. I was
throwing a mean RAPP. But how could I
resist. With you being so fine. Keep up the
good looks and stop being over protective of
yourself. Well have a nice summer. I'll call you
when the time is right. Friends H/WAYS

Linda
To a really nice girl

cheated on their test! Don't
forget Teeters in Math & Shortland
Our class is so ~~bad~~ bad!

Good luck!

P.S. See ya

I want you for helping
me with my life
I'll never be
the same
I'll never be
back how I was before.
I'll never be
the same
I'll never be
the same

Linda.

I hardly know where to begin because this year has been filled with so many great and joyful moments together. That word, together, means so much to me and, though you, I have found a new meaning to the word. I will always remember what you have done for me. Like I said before, I can never repay you back for all you've done for me. I thank God that he let me be in the same gym class as you so that we could know each other. He answered my prayers by bringing us together. Those gym classes are one of the most memorable times of my senior year. I will never forget all the other times we have shared together. Like that day I dropped you out of your nice wheel to go for a walk with me on that cold winter day. It made me feel like a hero when you said that you would meet me halfway. I am writing for the day, though, when someone will come up to me and say, let's share together. I am writing for the day when someone will take my hand. In the meantime, though, thank you, Linda, for caring. I never thought I would hate it through the day. You have carried me with not much complaining of the burden of I already feel like I'm carrying.

Linda,

To a very nice girl
I've known for a long
time. Remember Homeroom &
us always trading gum. I'm
still waiting for my can of
Michelob. (I think I spelled it
wrong.) good luck.

Linda (Lex),
To a really nice girl. Remember all
those boring & long cheer-
leading practices we went
through this past summer.
Will you go to the game?
Leading. D's and witching
to Mickey. Remember going
Paula's table when you & I
had to run home to relieve
ourselves. How I remember
words we used to remember
cheers. How I'll see those
good looking guys that used
to stare at us at the football
games. Well, I'll see you
practices. Take care.

Remember first Bloss. Love,
that our friendship will always be there.
Don't forget to love you!

But I wish
knowing you
don't be there
everyday.
Good luck in all
you go after.
I love you!
